CIV. NO: 07-5354

v.

BRUCE Springsteen; Steven VAN Zandt,
DefendantsComplaint

Comes now the Plaintiff, Jonathan Lee Riches[©], in pro-se, moves under 42 USC 1983. I hold Defendants Liable for putting music in my ears that forced me to commit Identity theft which got me a 125 month Federal Sentence at FCI Williamsburg. I was also influenced off of Van Zandts acting roll on the Sopranos. Van Zandt would commit credit card fraud. After watching him, I would use Visa's and Capital one cards in other peoples names. Defendants music sends subliminal messaging on crime. I'm Forever damaged. I seek \$50 million dollars. I seek a restraining order, telling MR. Springsteen from not making music that is endangering my life.
